

Welcome Granville Towers Resident

Pavlov Media manages our Internet connection and cable services.

INTERNET CONNECTIVITY: If you're unable to access the internet, you can reach them at the number below. However, if you have other computer issues, please visit the Granville IT Assistance office in South 2124 or call the UNC ITS Response Center at 962-HELP.

TELEVISION: Pavlov also can assist with any cable issues you may encounter. Please remember it is your responsibility to provide a coaxial cable and any recording devices.
